

TCCNA IX Report August 2017

The TCCNA committee is moving along with convention plans. We have an active and engaged committee, and are always looking for more help and more ideas from our area members. We will be meeting Sept 5 and 19th, and every Tuesday in October as we pick up speed to the finish line.

We now have all positions filled and are grateful for the service.

There have been several fund raising activities, with a reasonable turn out. We need help from the area in making sure the flyers get out to the fellowship and announcements are made.

The Dennis Steele Annual Memorial Fishing Tournament is in the planning stage for August 26th on the Safari I . It is a DATE CHANGE . Its at Pirates Cove Marina. The cost will be 60\$ and includes a picnic lunch in the park afterwards. Its a fabulous time and tribute.

Sunday, September 10th is a beach BBQ. Come on out and Join us {see flyer}

The registration form is out and circulating. Registrations are already coming in. Please pre-register, if you can, so we can forecast for activities and the banquet.

There is also a dance planned during that convention weekend, with the theme being Halloween. We wanted you to know ahead of time for costume planning!!

Put the word out for speakers to send their CD's to our PO BOX [1788 in Stuart] The more we get, the better our choices for spots in the program for workshops. The program committee is fine tuning the program, and it's looking like a wonderful message of recovery.

The next meeting is Sept 5th at St Mary's , at 6 pm. We have changed our meeting schedule. We are now meeting in the same place each month, St Mary's, the Tuesday before area, at 6pm. We are usually in the back of the building across the street [like area] but sometimes in the one in the front. Look for Osa or Leslie's cars :)

ILS, Osa
