

**Treasure Coast Area Service
Policy Subcommittee Report
June 8, 2008**

The Policy Subcommittee met on June 6, 2008 outside Dunkin Donuts at 2101 S.E. Ocean Blvd. in Stuart with 8 NA members in attendance to discuss 1 motion sent to us by this ASC.

Item discussed is as follows:

Motion: The Activities Subcommittee would like to incorporate Activities and Newsletter together making it one Subcommittee.

Intent: To get the newsletter up and going again.

Maker: Dottie/Activities Chair

Second: John S. Archivist

Policy Subcommittee opinion: The policy subcommittee has no problems with this motion as written however Newsletter funding should also be considered when making this decision.

We believe Doug D. if elected Policy Chair will serve the Treasurer Coast Areas best interest and keep your groups conscious in mind when helping to formulate Policy Subcommittee opinions. Doug has been Policy Vice-Chair for the past 20 months and has not missed any subcommittee meetings.

I would take this opportunity to thank this committee and the area groups for allowing me to serve as your Policy Chair. I have experienced much personal growth and hope that I have been able to contribute to our areas health and welfare. Serving you has truly been an honor.

I.L.S.
